Beaches

Dogs are permitted on all beaches in the area October to April. Beaches managed by Ceredigion Council have designated areas where you can enjoy the company of your pet dog during Summer months. Mwnt and Penbryn are National Trust owned and dogs are not permitted between 1st May and 30th September. Dogs are allowed anywhere on Aberporth (Dyffryn Beach) and Cwtydu throughout the year.

Bwlch Nant yr Arian Forest

Numerous scenic walks through the forest and around the lake, with a very good chance of seeing Red Kites. Visitor centre with café that allows dogs.

The Ceredigion coastal path offers 60 miles of coastal walking, giving you the option of short walks or an all day hike. A nice and relatively easy part of the path takes you between Tresaith beach and Aberporth. Dogs are allowed on the Cardi Bach coastal bus, giving you the option of exploring further afield and returning by bus.
